INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42491

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On August 7, 2003, IQ Telecom Inc. ("IQ") filed its Verified Petition for a Certificate of Territorial Authority to Resell Bundled Local Exchange Telephone Services within the State of Indiana (hereafter "Petition"). The Petition filed by IQ was a "short form" petition, as addressed by this Commission in Cause No. 39983, intended to be processed after due public notice, without the necessity of a hearing.

The Presiding Officer in this Cause, having examined the Petition and being duly advised in the premises, hereby finds that Petitioner should answer the following data requests by August 29, 2003:

1. Section H of the application is incomplete, as it does not list the state(s) in which IQ has been authorized to provide telecommunications services. Please list the states in which IQ has such authority.
2. Exhibit 3 of the Petition does not contain any documentation whatsoever; this exhibit is needed to support the requirement that IQ has technical and managerial experience. Provide this documentation.
3. Exhibit 4, section 1, indicates that IQ is headquartered in Ohio. The address given for IQ is in Illinois. Please indicate the correct state in which IQ is headquartered.

IT IS SO ORDERED.
